Kevin McNeil

MOTIVATIONAL SPEAKER, AUTHOR, CONSULTANT

Kevin McNeil is a Motivational Speaker, abuse activist, and the CEO of the Twe12e Project, an organization that educates the world on the effects of abuse on individuals, families, and communities. Kevin's passion is to help others heal from the effects of abuse. He is a renowned speaker who shares lessons from his own life experiences that transform, motivate, and inspire an individual's mindset and potential. As a consultant, Kevin's mission is to "motivate change in the world through abuse education," and his vision is to "create a better tomorrow for today's children."

Kevin retired from the DeKalb County Police Department after 20 years. He served twelve years as a Special Victims Unit Detective, and eight years as a Police Officer. His training and attention to detail helped him solve several high-profile serial rape cases in the Atlanta area. Kevin's background coupled with his extensive research on trauma and the effects of abuse, defines and differentiates his message. He travels across the country speaking on topics relevant to Child Advocacy Centers, Police Departments, Department of Family and Children Services, District Attorney's Offices, athletic organizations, schools and universities, parents and foster parents, as well as community members. Kevin has appeared on numerous radio, television, and podcast programs, and has been featured in several magazine articles.

In addition to law enforcement training, Kevin obtained his Master of Divinity Degree from the Interdenominational Theological Center in Atlanta, Georgia. He is the author of six published books, several of which empower others to live out their God-given purpose. Kevin's talks reveal a positive, practical, and strategic approach to support others in realizing their biggest dreams and potential. He motivates individuals to draw closer to their strength through his books, workshop trainings, business coaching, character refinement, and with honest, confident, and respectful communication.
